Omaha Artists Incorporated

President's Message: By Carolyn Ransom

Dear Friends

I hope everyone is enjoying the signs of spring ...the bursts of color popping up overnight, the sounds of happy birds in the morning, and the warm sunshine that embraces it all. May the sweetness of spring renew your heart and inspiration!

Former member Marty Wagner will join us for the FunShop on April 18. We will also have the annual ANAC selection show (9am-10am) at this time. Bring your entries to be considered for inclusion in the Aurora ANAC show.

We will have our monthly general meeting, lunch and program on April 25. Don't forget to get in your reservation. The food has been wonderful!

On May 14, be sure to bring your artwork to the Designers Showroom for the opening of Omaha Artists Spring Art Show. Details for the show and all other events are in the newsletter.

Have a wonderful, inspired April!

"The artist creates for the liberation of his soul. It is his nature to create as it is the nature of water to run down the hill". W. Somerset Maugham

Chair Marilyn Bieg

Martie Wagner will present a program on "Painting the Plein Air Landscape." You will learn options for painting gear to make the process simple and portable. You will also learn how to set up a successful palette for painting the landscape, and how to develop the stages of a painting from block-in to finish. Martie will demonstrate in oils but can give tips on working with acrylic or watercolor.

Please bring a photo reference, a panel or canvas no larger than 12x16," and the brushes and paints you intend to work with. For paints you need a warm and a cool of each primary color, along with white and black. (i.e., hansa yellow light or lemon yellow; hansa yellow deep or medium yellow; quinacridone red or cadmium red; alizarin crimson or quinacridone magenta; ultramarine blue; thalo blue; titanium white; ivory black. If you want a green, thalo green or viridian is suggested.

Martie is a Nebraska native currently living near Ashland. She has taught classes at Joslyn Museum in both traditional and abstract painting methods. She has been painting plein air landscapes for 10+ years.
